

CopperCraft Heating & Cooling Website Design & Enhancement Brief

Purpose

Maintain the existing premium CopperCraft design. Focus on increasing conversions, trust, SEO, and content depth while preserving the current visual identity.

Top Priorities

- Financelt Integration
- Project Gallery & Case Studies
- Comfort Club Membership
- Expanded Commercial HVAC Section
- Service Area Pages
- FAQ & Educational Resources
- Promotions Page
- Warranty Page

Homepage Improvements

- Trust badges under hero
- Three CTA buttons (Book Service / Free Estimate / Apply for Financing)
- Financelt banner
- Promotions section
- Brand logos
- Before & After gallery
- Google review carousel
- Why Choose CopperCraft icons

New Pages

Financing, Promotions, Comfort Club, Project Gallery, Completed Projects, Warranty, FAQ, Commercial HVAC, Emergency HVAC, Equipment Brands, Careers, Service Areas.

Service Pages

Create dedicated pages for Furnaces, Air Conditioners, Heat Pumps, Ductless Systems, Boilers, Tankless Water Heaters, Water Heaters, Rooftop Units, Fan Coils, HRVs, ERVs, Humidifiers, Gas Lines, Thermostats, Commercial HVAC and Preventative Maintenance.

About Us

Use the premium company story and mission statement that has been prepared. Include owner story, team photos, certifications, values and real project imagery.

Commercial

Showcase rooftop units, hotels, restaurants, offices, warehouses, mechanical rooms, preventative maintenance contracts, fan coils and completed commercial projects.

Financelt Inspiration (Review These Websites)

The original competitors do not prominently feature Financelt. Use these examples instead:

City Home Comfort

<https://cityhomecomfort.ca/financing/>

Excellent layout, Financelt branding, benefits, FAQ and calls-to-action.

Armour Home Comfort

<https://armourhomecomfort.ca/financing/>

Simple three-step financing process with strong Apply Now buttons.

Bryant Canada

<https://www.bryant.com/en/ca/before-you-buy/financing/>

Professional explanation of financing and customer benefits.

Excel Home Comfort

<https://excelhomecomfort.com/financing/>

Clean messaging and excellent financing copy.

Financelt Official

<https://www.financeit.io/>

Dealer resources, branding ideas and marketing examples.

Financelt Page Requirements

- Large hero banner with Financelt logo
- Apply Now button
- Financing benefits
- Three-step application process
- FAQ
- Financing reminders throughout equipment pages
- Footer Financelt logo
- Floating Apply for Financing button
- Interactive monthly payment calculator (custom feature)

Competitor Summary

AtlasCare excels in promotions and maintenance plans. DeGroot demonstrates commercial credibility and authentic project photography. CopperCraft already has a stronger premium design; the goal is to add richer content and conversion features rather than redesign the site.
